RESOLUTION #18

SENATOR BYRD

A RESOLUTION TO RECOMMEND THE VISITING FOOTBALL TEAM BE THE FIRST TEAM TO ENTER SCOTT FIELD PRIOR TO KICKOFF, INSTEAD OF THE MSU BULLDOGS.

WHEREAS, the time when a football team enters the stadium is a highly emotional moment, that encourages crowd momentum,

WHEREAS, at previous MSU home games the visiting team is the last to come out, giving their fans high momentum until kickoff,

WHEREAS, if MSU were too enter Scott Field after the visiting team it would give the MSU Crowd and Football Team an electric atmosphere until the time of kickoff providing an exciting atmosphere,

WHEREAS, booing is impolite and a quick succession of team entries should minimize this,

BE IT RESOLVED THAT, the Student Association Senate hereby advocates the following:

1. Recommends that the Athletic Department change the order of team entrance into Davis Wade Stadium at Scott Field to the visiting team entering the field first, immediately followed by Mississippi State University Football Team.

BE IT FURTHER RESOVLED THAT, a copy of this resolution be sent to Dr. Robert Foglesong, the Gameday Committee, and Athletic Director Larry O. Templeton.
